People Powered

Twiners Make it Work for You: Business can change by the minute. Whether you are growing, shifting or tightening your belt, you need a committed partner that can flex with you. We don't take a one-size-fits-all approach. Our people are prepared to help you solve unique challenges with deep experience and innovative solutions to help take your business further, faster.

Surprising Value

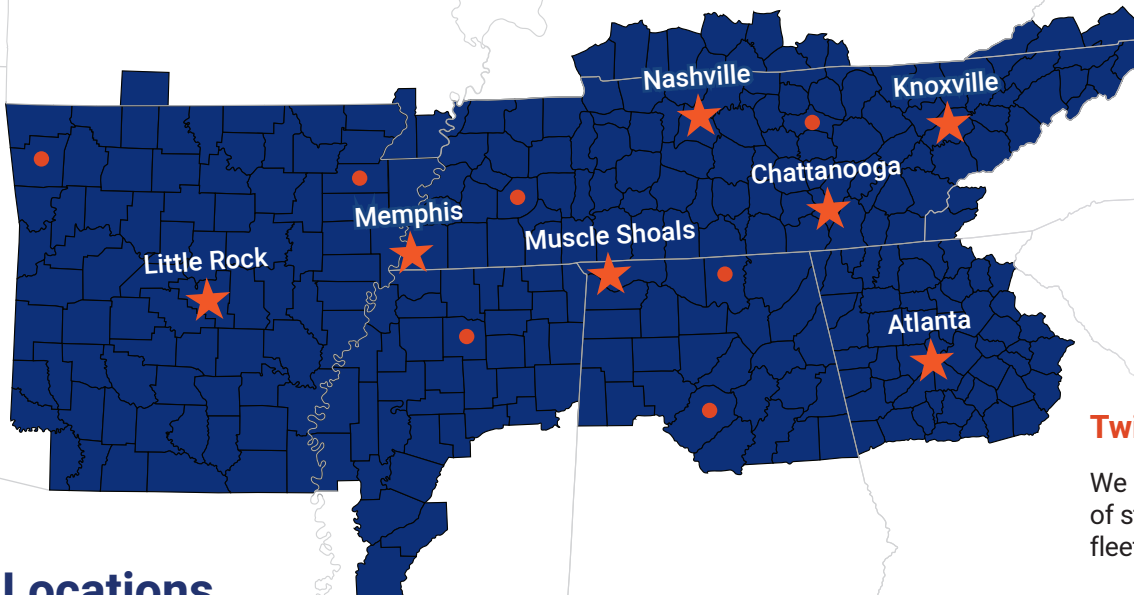

Twine for Your Bottom Line: In over nine decades of business we've built deep relationships in the supplier community and developed an in-house team of experts. That means we can deliver top quality products from leading brands as well as custom-engineered items. We do it with fair, competitive pricing and reliable logistics to deliver what you need, where you need it, when you need it, how you need it.

Remarkable Service

Twine for Your Supply Chain: The supplies we deliver are an integral part of your operation. So we run tight, state-of-the-art systems to ensure you always have what you need to move at full speed. Our extensive inventory, large fleet of trucks with company employed drivers, and strategically located distribution centers ensure reliable, on-time deliveries you can count on.
